

Photo Permission Form

Our Saviour Kindergarten and Preschool students are often photographed or videotaped at school events. These images may be used in various publications distributed to school families, the Our Saviour congregation and community. Photos and video may also be used on the school's website or Facebook page and by organizations acting under Our Saviour's authority or any party authorized by Our Saviour. We need your permission to use your child's photograph. Please note that children will not be identified by name in photos used on the website or on our Facebook page.
